Editors' Message

We, the members of the Orleans Staff, are proud to present the 1962 Orleana. We have worked long and hard, hoping to make this the best book ever published at Orleans High School.

As the years separate you from high school, you will treasure this book more and more.

During the school year, Orleans High School has prospered as the result of the fine spirit and good will of the students. From imps to angels the students mature and also profit from their years at Orleans High School.
